III.   INTRODUCTIONS, AND PUBLIC COMMENTS (Information)[1]

A. P&GE Meeting will be held Tuesday, November 2, 2021 – M. Bowen

B. Extended Technical Review (ETR) meeting will be held Thursday, October 7, 2021 – M. Werness-Rude
Reminder that the meeting will be held this week. Picking up this process from before Covid lockdown. Those involved have already been notified. This is just an information item.

C. Extension of Curriculum Help Drop-In Meetings – M. Bowen
Meetings will continue on Fridays from 1pm – 3pm via zoom for the next couple of weeks until interest wanes.

D. Other Announcements
None

E. Public Comments
G. Wood: Questions arising with respect to the curriculum process, and the requirements. The requirements at VC seem more detailed than the PCAH or other colleges. It is difficult to understand which document/process is being followed in course development and technical review. If we are following the handbook, are we following it without it being voted on? Difficult to find a streamlined "due process" and would love to have something provided which illustrates this point.

M. Bowen: It may be a good suggestion to have a 10-minute agenda item on the next Curriculum Committee agenda to further address the comment from G. Wood.

---

[1] Five minutes is allotted to any member of the public who wishes to address the curriculum committee, with a maximum of twenty minutes per topic aggregated for all speakers, unless extended by vote of the committee. At the request of any speaker proposing to address a specific agenda item, the committee may also vote to permit that speaker's comments to be deferred until the meeting progresses to that topic.

Peter and Maline showed a Course Outline of Record and discussion ensued about what things to look for when reading it as a Curriculum Committee member, and the need for clear documentation of the components. In the works: CourseLeaf Training for course originators

C. PROGRAMS*: (Discussion/Action; see attachment)
1. New: AS-T Business Administration 2.0
* programs presented for simultaneous First and Second Reading

P. Sezzi called for a motion to approve the First Reading proposals	
Motion by:	D. Clark moved to approve the program proposal for first and second reading
Seconded by:	N. Falco
Discussion:	No freedom to change the name of the program. The template is from the State. Goal is to remove old program before the new catalog is released to avoid student confusion. Question: Should we find an AAM for Math V21A? Resolution: If MATH V21A satisfies the AAM then it will be added to the TMC as an option. After this addition, the program does not have to go back to Curriculum Committee again. More discussion mentioned that CSUN accepts the course, so an AAM could be used.
Motion Amended by:	D. Clark amended the motion to approve the program and include the contingency that if M. Bowen's research allows us to include MATH V21A and an AAM, then it should be added.
Seconded by:	N. Falco
Final resolution:	Program approved for first and second reading
