Associate Degree for Transfer – Agriculture Plant Science

STUDENT ADVISING GUIDE

Associate Degree for Transfer
A Degree with a Guarantee.™

AGRICULTURE BUSINESS FOR TRANSFER

The Associate in Science in Agriculture Plant Science for Transfer Degree (Agriculture Plant Science AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Science in Agriculture Plant Science for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Agriculture, Agricultural and Environmental Plant Science, Agricultural Science, Plant Science, Agriculture Education or Agriculture Studies at a CSU campus.

To earn an Agriculture Plant Science AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major. Even though a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade ("A," "B," or "C") due to unit limitations on "P/NP" courses.
4. Completion of a minimum of 12 units in residence at Ventura College.
