## Associate Degree for Transfer – Economics

### STUDENT ADVISING GUIDE

Associate Degree for Transfer  
*A Degree with a Guarantee.™*

#### ECONOMICS FOR TRANSFER

The Associate in Arts in Economics for Transfer Degree (Economics AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Economics for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Economics or a similar major.

#### To earn an Economics AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
  - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major. Even though a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade ("A," "B," or "C") due to unit limitations on "P/NP" courses.
