Discussion: Issue on this program was the Courseleaf/CIM record for this program was almost empty due to migration from CurricUNET. Narrative was correct and matched catalog and state. Minor issue with unit counting which was also factored in as an Administrative Change – not unit total, but layout

XVI. Curriculum Committee Business

A. Review of Programs – M. Werness-Rude, P. Sezzi

1. Thank you to Dorothy and Gabi who attended the workshop on Friday where the ADT in Geography was reviewed. Link to that recording is in Item C below. Discussion/review continuing at this Friday's workshop as well. Individualized questions are ok during these sessions too.
2. Several discussions regarding the 5-year review of programs. There is a state mandate to review courses every 5 years. Issue we have become aware of is that many of our programs have not been reviewed in the last 5 year and much information is missing

Question for the committee – do we want to institute a process for a 5-year review of programs? If so, how would the committee like to approach this? Should a resolution be drafted?

Dorothy and Dan to form a workgroup to take to senate and CPC for discussion. Anyone else that wants to join is welcome. Other ideas still welcome.

Drafting a resolution was decided to be a premature action at this point.

3. Tuesday March 22 and Tuesday April 5th are free spaces on the CC calendar without having a P&GE meeting. Would like to turn these into information technical review meetings where committee members can come to see how the process goes, and to review programs in the queue. Invites to be sent out.

B. Dos and Don'ts of CIM Information for CAT and Deadlines – S. Ayala

Presentation on where the text in the catalog (CAT) is being pulled from in Courseleaf (CIM).

Question about Program Mapper, updating it, and what is the source of truth. CIM record must be the source of truth between these programs (Program Mapper, CAT, Banner, CIM, etc.) – best practice ideas should be explored

C. Link to Recording from Michael's Previous Drop-In Meeting – M. Bowen

First program discussion is 20-30 minutes until the recording.

D. Report from ASCCC Curriculum Regional Meeting – M. Bowen, M. Werness-Rude

1. Co-listing of courses ([see link](#))
2. DEI—examples of classroom and COR changes

Short explanation was given on each attachment within the links
