Distance Education Students

Welcome to Online Learning at Ventura College

Online courses allow you to learn anytime anywhere, and they provide flexible opportunities to earn your degree or certificate while balancing work and family life. However, online classes can present unique challenges so please use this web page to better understand online education at VC and the resources available to you in Distance Education and Ventura College.

Statement of Commitment: The Ventura County Community College District (VCCCD) and its colleges (including Ventura College and Ventura College East Campus) are committed to supporting its students during these trying times of the Corona Virus (COVID-19) Pandemic. Please search for your content below or contact someone above.

The VC DE Student Orientation (https://www.venturacollege.edu/online-services/distance-education/current-students/de-student-orientation) link is found on the right-side navigation menu.
