WELCOME!

Welcome to the second of six concerts presented by the Schwab Academy of Music! This evening highlights the talents of our chamber music students. ABOUT THE ACADEMY:

The Miriam and Henry Schwab Academy of Music is an annual instrumental program housed at Ventura College's Performing Arts Center.

An enduring gift from **Miriam Schwab**, The Miriam and Henry Schwab Academy of Music has three main components: an three-week **Summer Academy**, the **Henry Schwab Violin & Viola Competition**, and an **Extension Program** during the Spring and Fall.

The Summer Academy offers programs in Chamber Music and Symphony Orchestra. In this intensive three-week summer institute, all students receive classes each weekday from the Academy's **nationally-recognized faculty** and present public performances each weekend. Academy Faculty members rehearse, coach, and perform alongside students.

Festival **Director Robert Lawson** says, "The students and faculty become a family, working together daily to develop their skills and to reach the highest standard of music making."

Ashley Walters, music director and conductor adds, "Music education teaches more than just music," says. "It teaches students to develop a strong work ethic, how to work as a team player to meet goals, and provides students of all ages with an incredible community that can offer support and guidance as they discover and pursue their own dreams."
